

Dear Business Owner/Sponsor:

Did you know that autism now affects 1 in 36 children? In fact, chances are very good that you know someone who might have an autism spectrum disorder diagnosis. Most families who have a child diagnosed with autism face many, many challenges. And, in most cases, the burden of caring for and coordinating care for the child falls on the mother's shoulders.

On Saturday April 27, 2024, at the Grand Point Church in Chambersburg, Pennsylvania, a special luncheon will be held for these extraordinary mothers. The luncheon will be free to 200 mothers of children with autism. These women will receive an outstanding lunch prepared by a local chef. They will hear an inspiring message from our guest speaker, Jillian Benfield, special needs Mom, speaker, and author of *The Gift of the Unexpected*. They will also receive some wonderful gifts that are donated by local businesses and individuals. Would you please consider making a donation to this special program? Your donation is tax-deductible and a receipt for your donation can be provided.

The cost to sponsor a mother for this day of support, encouragement, celebration, and respite is \$25.00. You can sponsor as many mothers as you would like, or you can donate a gift such as a gift certificate or other item that will be needed for the program. If you make a donation, your business or name will appear in the luncheon's program and for each mother you sponsor your business or name will be placed on a card at a mother's seat to identify who sponsored her. We are also in need of individuals to help on the day of the luncheon. If you know of any group or organization that might like to donate their time on the day of the luncheon, please let us know.

Thank you for considering any kind of donation to benefit these mothers. For more information about the program, please contact Elyse Fisler at 717-512-7249 (call or text). You may also visit our website at www.momtomomlunch.com.

Sincerely,
